CITY OF CAPE TOWN**CITY OF CAPE TOWN MUNICIPAL PLANNING BY-LAW, 2015**

Notice is hereby given in terms of the requirements of section 48(5)(a) of the City of Cape Town Municipal Planning By-Law, 2015 that the City has on application by BLACK SQUARE TOWN PLANNING to amend conditions as contained in Deed of Transfer T8657/2023, in respect of Erf 1111, CAMPS BAY, 38 INGLESIDE ROAD CAMPS BAY/BAKOVEN, in the following manner:

- **Condition C.6.A.I.(e)** which reads as follows:

Condition C.6.A.I.(e) which reads as follows: “*That no building or structure or any portion thereof, except boundary walls or fences, shall be erected nearer than 15 feet to the street line which forms the boundary of this erf, save that a garage intended as an adjunct to a building and not exceeding 10 feet in height measured from the floor to the top of the parapet or half the height of the roof whichever is the higher, may be erected in such position that the distance between the garage and the street line which forms the boundary of this erf shall not be less than the value of $\dots \times \dots$ as expressed by the following equation, when $\dots \times \dots$ is a distance of less than otherwise prescribed as the building line for this erf:*

$$x = l/s [\sqrt{h+400s} - (h+20s)]$$

where s is the factor of rise in accordance with the mean gradient of the land to be actually excavated for the erection of the garage such gradient to be measured at right angles to and from a point on the street boundary vertically opposite to the centre of that side of the garage which is most nearly parallel to the street boundary of the erf.

and h is the difference between the mean level of the floor of the garage and the mean ground level at a point on the street boundary vertically opposite the centre of that side of the garage which is most nearly parallel to the street boundary of the erf, such difference to be positive or negative as the floor level of the garage is respectively below or above the mean ground level at the point specified.

Notwithstanding the foregoing, however, a garage shall not be erected nearer than 4ft 6ins to the street line which forms a boundary of this erf and where no portion of a garage projects above the level of the ground immediately adjoining any side of such garage other than the side which is most nearly parallel to the street boundary of the erf, the corner of the bank at the intersection of the street boundary and the prolongation of those sides of the garage which are most nearly at right angles to such street boundary shall be splayed in such manner that the land cut off from the corner shall be in the form of an isosceles triangle the equal sides of which shall not be less than 4ft 6ins”.

To read as follows:

“That no permanently habitable structures shall be erected nearer than 4.72m to the street line which forms the boundary of this erf.”

Condition C.6.A.I.(f) which reads as follows:

Condition C.6.A.I.(f) which reads as follows: “*That no buildings or structure or any portion thereof, except boundary walls, fences, a garage and an outbuilding not exceeding 10 feet in height, measured from the floor to the top of the parapet or half the height of the roof, whichever is the higher, and no portion of which is used for human habitation shall be erected nearer than 5 feet to the lateral boundary common to this and any adjoining erf”.*

To read as follows:

“That no permanently habitable structures shall be erected nearer than 1.57m to the lateral boundary common to this and any adjoining erf”.
