IMPORTANT

Information

from Government Printing Works

Dear Valued Customers,

Government Printing Works has implemented rules for completing and submitting the electronic Adobe Forms when you, the customer, submits your notice request.

Please take note of these guidelines when completing your form.

GPW Business Rules

1. No hand written notices will be accepted for processing, this includes Adobe forms which have been completed by hand.
2. Notices can only be submitted in Adobe electronic form format to the email submission address submit.egazette@gpw.gov.za. This means that any notice submissions not on an Adobe electronic form that are submitted to this mailbox will be **rejected**. National or Provincial gazette notices, where the Z95 or Z95Prov must be an Adobe form but the notice content (body) will be an attachment.
3. Notices brought into GPW by "walk-in" customers on electronic media can only be submitted in Adobe electronic form format. This means that any notice submissions not on an Adobe electronic form that are submitted by the customer on electronic media will be **rejected**. National or Provincial gazette notices, where the Z95 or Z95Prov must be an Adobe form but the notice content (body) will be an attachment.
4. All customers who walk in to GPW that wish to submit a notice that is not on an electronic Adobe form will be routed to the Contact Centre where the customer will be taken through the completion of the form by a GPW representative. Where a customer walks into GPW with a stack of hard copy notices delivered by a messenger on behalf of a newspaper the messenger must be referred back to the sender as the submission does not adhere to the submission rules.
5. All notice submissions that do not comply with point 2 will be charged full price for the notice submission.
6. The current cut-off of all Gazette's remains unchanged for all channels. (Refer to the GPW website for submission deadlines – www.gpwonline.co.za)
7. Incorrectly completed forms and notices submitted in the wrong format will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za)
8. All re-submissions by customers will be subject to the above cut-off times.
9. All submissions and re-submissions that miss the cut-off will be rejected to the customer to be submitted with a new publication date.
10. Information on forms will be taken as the primary source of the notice to be published. Any instructions that are on the email body or covering letter that contradicts the notice form content will be ignored.

You are therefore advised that effective from **Monday, 18 May 2015** should you not comply with our new rules of engagement, all notice requests will be rejected by our new system.

Furthermore, the fax number **012- 748 6030** will also be **discontinued** from this date and customers will only be able to submit notice requests through the email address submit.egazette@gpw.gov.za.

DO use the new Adobe Forms for your notice request. These new forms can be found on our website: www.gpwonline.co.za under the Gazette Services page.

DO attach documents separately in your email to GPW. (In other words, your email should have an Adobe Form plus proof of payment – 2 separate attachments – where notice content is applicable, it should also be a 3rd separate attachment)

DO specify your requested publication date.

DO send us the electronic Adobe form. (There is no need to print and scan it).

DON'T submit request as a single PDF containing all other documents, i.e. form, proof of payment & notice content, it will be **FAILED** by our new system.

DON'T print and scan the electronic Adobe form.

DON'T send queries or RFQ's to the submit.egazette mailbox.

DON'T send bad quality documents to GPW. (Check that documents are clear and can be read)

WARNING!!!

TO ALL SUPPLIERS AND POTENTIAL SUPPLIERS OF GOODS TO THE GOVERNMENT PRINTING WORKS

The Government Printing Works would like to warn members of the public against an organised syndicate(s) scamming unsuspecting members of the public and claiming to act on behalf of the Government Printing Works.

One of the ways in which the syndicate operates is by requesting quotations for various goods and services on a quotation form with the logo of the Government Printing Works. Once the official order is placed, the syndicate requesting upfront payment before delivery will take place. Once the upfront payment is done the syndicate do not deliver the goods and service provider then expect payment from Government Printing Works.

Government Printing Works condemns such illegal activities and encourages service providers to confirm the legitimacy of purchase orders with GPW SCM, prior to processing and delivery of goods.

To confirm the legitimacy of purchase orders, contact:

Renny Chetty, (012) 748-6375 (Renny.Chetty@gpw.gov.za)

SOUTH AFRICAN TOURISM

THE ORGANISATION AND THE OPPORTUNITY

South African Tourism Board (SAT) was established by section 2 of the Tourism Act No. 72 of 1993 and continues to exist in terms of section 9 of the new Tourism Act No. 3 of 2014. South African Tourism is a Schedule 3. A public entity in terms of Schedule 3 of the Public Finance Management Act 1 of 1999.

The mandate of SAT in terms of the Tourism Act is to provide for the development and promotion of sustainable tourism for the benefit of the Republic, its residents and its visitors. It is common cause that tourism is a key strategic industry in terms of National Tourism Sector Strategy documents as it supports government objectives of alleviating the triple challenges of unemployment, poverty and inequality.

It is paramount that the organisation monitors and analyses media reporting to effectively manage its marketing and reputations message, in order to keep track of media sentiment in order to develop strategies that will enhance the brand and ultimately to position South Africa favourite in the minds of its target consumers and to elevate the destination's standing among its competitors. This service will further assist SAT to monitor return of investment (ROI) in order to develop strategies to increase editorial coverage from the media.

The scope of SAT's business includes three distinct areas of business focus and delivery, with different target markets and segments:

- International leisure tourism (travel trade and consumer); and domestic leisure tourism (travel trade and consumer).
- Business events through the delivery unit the South African National Convention Bureau (meetings, incentives, conferences, exhibitions).
- Quality assurance of tourism establishments through the delivery unit the Tourism Grading Council of South Africa.

In the context of this responsibility, SAT continuously assesses the environment within it communicates with the public, to this end, the preferred bidder will be required to comprehensively monitor print, broadcast and on-line and social media coverage of SAT corporate and its three key pillars.

This is done in order to identify initiatives to be taken to enhance SA Tourism's communication and respond more effectively to the information needs of its target consumers.

Section 217 of the Constitution of the Republic of South Africa, 1996, prescribes that goods and services must be contracted through a system that is fair, equitable, transparent, competitive and cost-effective and also confers a constitutional right on every potential supplier to offer goods and services to the public sector when needed.

Having regard for the aforementioned, SAT is accordingly inviting suitable, reputable and experienced media monitoring service providers, with a good track record, to submit proposals that demonstrate their ability and capability to comprehensively monitor print, broadcast and on-line coverage of SAT and its brand communications for a period of 3 years, effective 1 July 2015.

The detailed scope of services and tender requirements for this tender is indicated in SAT's RFP-SAT 95/15 which will be available from 9h00 on Monday, 25 May 2015 on: <http://www.southafrica.net/trade/en/tenders#current>

Completed documents together with 1 original proposal, 3 hard copies and 4 electronic copies (PDF format), submitted in one sealed envelope, must be dropped inside the tender box situated in the reception area of SAT, 90 Protea Road, Chislehurst, Sandton, by no later than 12h00 on Wednesday, 17 June 2015.
