

## **APOLOGY**

Pressure of time has precluded us from translating all documents in the three official languages of the Province of the Western Cape. We have, however, managed to issue a summary in all three of the languages. We apologise for not being able to meet our language goals.

## **VERSKONING**

Tyddruk het ons verhinder om alle dokumente in die drie amptelike tale van die Provinsie van die Wes-Kaap te vertaal. Ons het, egter, 'n opsomming in die drie amptelike tale voorberei. Ons vra verskoning dat ons nie in staat was om ons taaldoelwitte te bereik nie.
