

Annexure D

SUGGESTED COMMUNITY-BASED CARE SUPPLIES

- Drugs as per Disease Management and Control Guidelines and/or pain control, symptom control and other EDL drugs as needed.
- Basic supplies (medical and assistive devices) (community also improvises accordingly) not necessarily to be provided only by the Government.
 - Gloves
 - Bedpans - re-usable (potty, plastic buckets)
 - Catheters, uro bags and colostomy bags
 - Plastic/mackintosh/draw sheets
 - Cotton wool, gauze and swabs, bandages, plasters, washable cloth
 - Disposable pads/incontinence sheets (if affordable) and incontinence underwear
 - Soap, washing detergents
 - Liquid bleach
 - Syringes and needles
 - Kleenex and disposable towels
 - Plastic apron
 - Supplementary feed/easy recipes to prepare nutritional, cultural meals
 - Infant feeds
