INHOUD

May/June 2005
Vol 49 No 3

COVER: A picture says a thousand words and only a few characters make a picture... Inspired by the many characters of the alphabet that provide book lovers with so much pleasure, information, comfort, knowledge, and much more, talented Craig Cockcroft from the Jack Russell Design Company created various images to tease the eye. This month's cover represents nature, lightness and the early anticipation of spring.
