

COMMISSION DISCUSSION 3

Role in strengthening communication and participation

- Important role to give access to poor to government services
- Good skills and knowledge and in touch with community
- Utilised for outreach and networking to all sectors
- Ward coms should understand role and work programmes to avoid misunderstanding and duplication
- Work in partnership with other initiatives and structures

Support needed

- Coaching and mentoring to ensure effective work
- Access to offices, phones etc when not in field
- Transport issues for rural areas
