**AND WHEREAS** section 36 of the Local Government: Municipal Finance Management Act, 2003 (Act 56 of 2003), provides that the MEC responsible for finance in a province must, to the extent possible, when tabling the provincial annual budget in the Provincial Legislature, make public particulars of any allocations due to each municipality in terms of that budget, including the amount to be transferred to the municipality during each of the next three financial years,

**B**E IT THEREFORE ENACTED by the Provincial Parliament of the Province of the Western Cape, as follows:—

- (b) that must be classified as or deemed to be a payment for capital assets in accordance with the *Reference Guide to the new Economic Reporting Format* (November 2003, Version 2) and the *Asset Management Framework* (April 2004, Version 3.3), issued by the National Treasury under section 76 of the Public Finance Management Act;

### **Appropriation of money for requirements of Province**

2. (1) Appropriations by the Provincial Parliament of money from the Provincial Revenue Fund for the requirements of the Province in the 2008/09 financial year, to votes and main divisions within a vote, and for the specific listed purposes, are set out in Schedule A.

(2) The spending of appropriations contemplated in subsection (1) is subject to the Public Finance Management Act.

### **Appropriation listed as specifically and exclusively**

3. Despite the provisions of any law, appropriations to a vote or main divisions within a vote that are listed as specifically and exclusively may only be utilised for the purpose indicated and may not be used for any other purpose, unless an Act of the Provincial Parliament amends or changes the purpose for which it was allocated.

### **Utilisation of saving**

4. Despite the provisions of any law, the Provincial Treasury may approve the utilisation of a saving in an amount appropriated under a vote for transfer to a specific institution, other than an amount specifically and exclusively appropriated, for any other purpose within that vote.

### **Conditional allocations to municipalities**

5. Conditional allocations to municipalities from the provincial budget in respect of the 2008/09 financial year are set out in Schedule B. An envisaged division of the conditional allocations to municipalities from the provincial budget for the next financial year and the 2010/11 financial year, which is subject to the annual Western Cape Appropriation Act for those years, is also set out in Schedule B.

### **Withholding of conditional allocations**

6. (1) A transferring provincial officer may withhold the transfer of a conditional allocation to a municipality or any portion of such allocation for a period not exceeding 30 days, if—

- (a) the municipality does not comply with conditions to which the allocation is subject; or
- (b) expenditure on previous transfers during the financial year reflects significant under-spending for which no satisfactory explanation is given.

(2) A transferring provincial officer must, at least 21 days or such shorter period as may be approved by the Provincial Treasury, prior to withholding an allocation in terms of subsection (1)—

- (a) give the relevant municipality—
- (i) written notice of the intention to withhold the allocation; and
- (ii) an opportunity to submit written representations, within those 21 days as to why the allocation should not be withheld; and

- (b) inform the Provincial Treasury and the provincial department responsible for local government of its intention to withhold the allocation.
- (3) A notice contemplated in subsection (2) must include the reasons for withholding the allocation and the intended duration of the withholding.
- (4) (a) The Provincial Treasury may, when a transferring provincial officer is withholding an allocation in terms of subsection (1), instruct or approve a request from that department to withhold an allocation for a period longer than 30 days, but not exceeding 120 days, if the withholding will—
- (i) facilitate compliance with the conditions to which the allocation is subject; or
  - (ii) minimise the risk of under-spending.
- (b) A transferring provincial officer must, when requesting the withholding of an allocation in terms of this subsection, submit proof of its compliance with subsection (2) and any representations received from the municipality concerned, to the Provincial Treasury.
- (c) The transferring provincial officer must again comply with subsection (2) when the Provincial Treasury instructs or approves a request in terms of paragraph (a).

### Stopping of conditional allocations

7. (1) Despite section 6, the Provincial Treasury may in its discretion or at the request of a transferring provincial officer stop the transfer of a conditional allocation or any portion of such allocation to a municipality—
- (a) on the grounds of persistent and material non-compliance with conditions to which the allocation, as provided for in the relevant framework published in the *Provincial Gazette*, is subject; or
  - (b) if the Provincial Treasury anticipates that the municipality will substantially under spend on the programme or allocation concerned in the current financial year.
- (2) The Provincial Treasury must before stopping an allocation in terms of this section—
- (a) give the relevant receiving municipality—
    - (i) 21 days written notice of the intention to stop the allocation; and
    - (ii) an opportunity to submit written representations within those 21 days as to why the transfer of the allocation or part thereof should not be stopped; and
  - (b) consult the Provincial Minister responsible for the provincial department wanting to stop the conditional allocation.
- (3) Any stopping of an allocation contemplated in subsection (1) must, together with an explanatory memorandum, be published by the Provincial Treasury in the *Provincial Gazette*.
- (4) The Provincial Minister responsible for finance must report any stopping of allocations in terms of this section to the Provincial Parliament and the Auditor-General at the tabling of the next appropriation legislation in the Provincial Parliament after the commencement of this Act.

### Re-allocation after stopping of allocation

8. The Provincial Treasury may, where it stops an allocation in terms of section 7, after consultation with the transferring provincial officer, determine that the allocation or any portion thereof be reallocated to one or more municipalities on condition that the allocation must be spent in the current financial year or the next financial year.

**EXPLANATORY MEMORANDUM****WESTERN CAPE APPROPRIATION BILL**

The Bill provides for the appropriation of amounts of money to be withdrawn from the Provincial Revenue Fund in respect of the financial year ending 31 March 2008, for the requirements of the Provincial Government: Western Cape as per the Schedule A attached to the Bill.

Section 36 of the Municipal Finance Management Act, 2003 (Act 56 of 2003) provides that the Minister responsible for finance in the province, must to the extent possible, when tabling the provincial annual budget in the provincial legislature, make public particulars of any allocations due to each municipality in terms of that budget, including the amount to be transferred to the municipality during each of the next three financial years. This has been provided for in the attached Schedule B.

In addition, provision is made for a transferring provincial accounting officer to withhold the transfer of a conditional allocation to a municipality or any portion of such allocation for a period not exceeding 30 days, if—

- (a) the municipality does not comply with conditions to which the allocation, as provided for in the relevant framework as gazetted, is subject; or
- (b) expenditure on previous transfers during the financial year reflects significant under-spending, for which no satisfactory explanation is given.

Despite the aforementioned, the Provincial Treasury may, in its discretion or at the request of a transferring provincial accounting officer, stop the transfer of a conditional allocation to a municipality—

- (a) on the grounds of persistent and material non-compliance with conditions to which the allocation, as provided for in the relevant framework published in the *Provincial Gazette*, is subject; or
- (b) if the Provincial Treasury anticipates that a municipality will substantially under-spend on that programme or allocation in the current financial year.
