

Compiled by Janine de Villiers

The index to the **Cape Librarian** is compiled only in English as a bilingual index would double the work and size.

Articles are indexed under author and subject as well as under the column in which they appeared.

The entries are alphabetically arranged. Subject entries are given in English only.

Articles on authors, artists, composers, et cetera, are indexed under the heading relating to the person and followed by his/her name, for example:

**Authors: Elizabeth Eybers.**

Die indeks tot die **Kaapse Bibliotekaris** word slegs in Engels saamgestel, aangesien 'n tweetalige indeks die werk verbonde aan die opstel van die indeks en die lengte daarvan sal verdubbel.

Artikels word volgens outeur en onderwerp geïndekseer, asook die rubriek waaronder dit verskyn het.

Die inskrywings word alfabeties gerangskik. Onderwerpsinskrywings word slegs in Engels aangedui.

Artikels oor skrywers, kunstenaars, komponiste, ensovoorts, word onder die opskrif ingeskryf, wat betrekking op die persoon het, byvoorbeeld,

**Authors: Elizabeth Eybers.**
