### MUNICIPAL MANAGER

Mr MP du Plessis

## FOREWORD EXECUTIVE MAYOR

Councillor Lincoln de Bruyn

Since adoption of the Municipal Systems Act, 2000 (Act 32 of 2000), this Integrated Development Plan (IDP) represents the first Review of the 2012/17 IDP, adopted by Council 31 May 2012. The five-year Plan contains key Municipal plans and priorities for the current political term of office. As per section 34 of the Systems Act:

*"A municipal council must review its integrated development plan annually in accordance with an assessment of its performance measurements and to the extent that changing circumstance so demand..."*

The first Review of the 2012/17 IDP will contribute to the adjustment of the Municipality's five-year Plan, as well as inform the Budget and Service Delivery and Budget Implementation Plan (SDBIP) for 2013/14. It is therefore imperative that the 2013/14 IDP Review be read in conjunction with the Plan adopted in 2012, as the Review does not constitute a new IDP.

Due to financial constraints and declining resources, the review of the IDP proved to be challenging as it is difficult for Council to provide quality services in a cost-effective and efficient manner. However, in exercising proper and sound financial discipline, Council remains optimistic to attain and maintain financial viability and sustainability. The Overberg District Municipality comprises a loyal and committed Council and Management who remains dedicated to executing our core mandate as captured in our Vision:

*"Totally Committed to Serve the Overberg"*

As Executive Mayor of the Overberg District Municipality, I am pleased to present the 2013/14 IDP Review on behalf of the Overberg District Municipality. A word of thanks is extended to Management and Staff for their commitment during the IDP Review process.

**Executive Mayor  
Overberg District Municipality**

## **FOREWORD MUNICIPAL MANAGER**

**Mr MP "Duppie" du Plessis**

The 2013/14 IDP Review serves to reflect on the 3<sup>rd</sup> Generation 2012/17 Integrated Development Plan (IDP), adopted by Council on 31 May 2012.

It is understood that the IDP Review is a continuous process which must take into account the current context within which the Municipality operates, changing circumstances of communities, changes in Municipal responsibilities in terms of the division of functions and functions within the local sphere, and unpacking and giving reality to the philosophy of developmental Local Government.

This dynamic process necessitates contingency planning and continuous review of the IDP to ensure its flexibility and responsiveness to changes, without losing sight of the vision and long-term developmental objectives of the Overberg District Municipality. The ongoing review culminates annually in a formal review, and the approval of the IDP, Budget and Performance Targets.

The District is however severely challenged in terms of achieving its Strategic Objectives and realising Performance Targets. The incorrect calculation of Equitable Share allocations to District Municipalities for the past seven years, have had a detrimental impact on the functionality of District Municipalities. Various interventions in this regard have taken place with Treasury, the outcomes of which are still anticipated. Should the matter not be given the necessary and urgent attention it deserves, District Municipalities will be compromised even further.

While the District recognises its financial constraints and decline in resources, we are prepared to continually serve and seek ways and means to enhance excellence. Acknowledgement is given to Management and staff for their technical inputs and support.

**Municipal Manager  
Overberg District Municipality**

## DISTRICT VISION & MISSION STATEMENTS

 <p><b>Overberg DM</b></p>	<p><b>Vision</b> Totally committed to serve the Overberg</p> <p><b>Mission</b> To render sustainable, client directed services and to be the preferred Provider of Shared Services within the Overberg</p>
 <p><b>Cape Agulhas</b></p>	<p><b>Vision</b> To render continuous, sustainable, effective services to all inhabitants and visitors in the area in order to create a healthy and safer environment for happier communities</p> <p><b>Mission</b> We the Cape Agulhas Municipality will strive to render the best affordable municipal services in a sympathetic manner to the whole area and its inhabitants in order to create a happy economically active and informed community</p>
 <p><b>Overstrand</b></p>	<p><b>Vision</b> To be a centre of excellence for the community</p> <p><b>Mission</b> Creation of sustainable communities by delivering optimal services to support economic, social and environmental goals in a politically stable environment.</p>
 <p><b>Theewaterskloof</b></p>	<p><b>Vision</b> To ensure and preserve the heritage and natural resources within the region, create and develop a safe, healthy, crime free, economically stable and viable environment for all</p> <p><b>Mission</b> To provide, develop and promote equal opportunities for everyone to stay in a safe, healthy, crime free, economically stable and viable environment through transparent and effective governance, politically stable, planning, services and the efficient and effective utilisation of resources</p>
 <p><b>Swellendam</b></p>	<p><b>Vision</b> A visionary Municipality that strives towards prosperity for all through co-operative participation and high quality service delivery</p> <p><b>Mission</b> It is envisaged that the municipal Vision will be achieved through: Providing a transparent and accountable government by rendering affordable and sustainable services and encouraging economic and social development through community participation</p>

# CHAPTER 1: EXECUTIVE SUMMARY

## 1.1 INTRODUCTION

The Integrated Development Plan (IDP) is regarded as the “*principle strategic planning instrument which guides and informs all planning and development, and all decisions with regard to planning, management and development, in the Municipality.*”

In terms of section 34 of the Municipal Systems Act, 2000 (Act 32 of 2000),

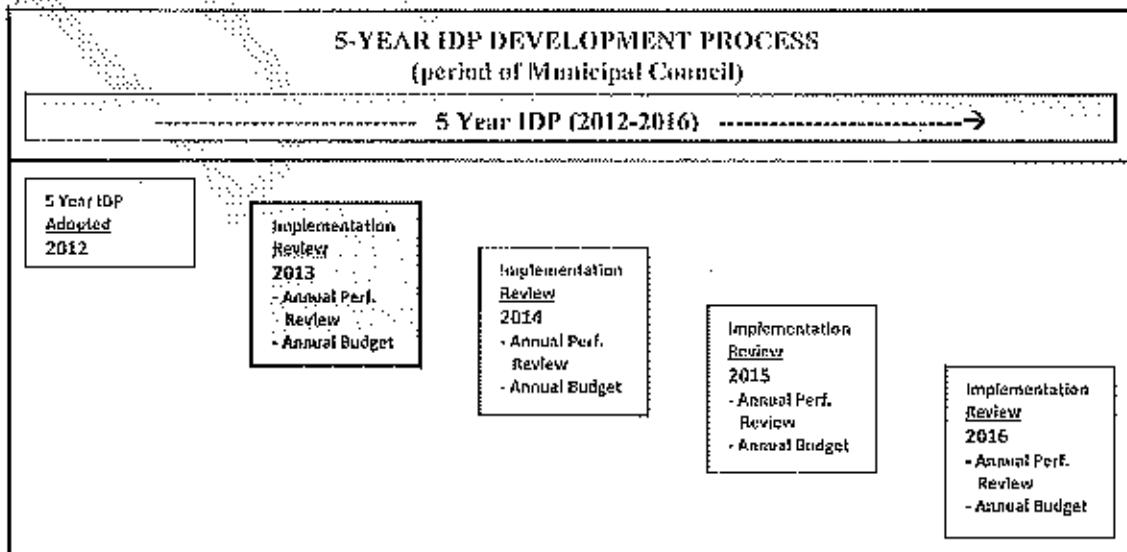

*“A municipal council must review its integrated development plan annually in accordance with an assessment of its performance measurements and to the extent that changing circumstance so demand...”*

This first review of the 2012/17 IDP will contribute to the adjustment of the Municipality’s five-year Plan, as well as inform the Budget and Service Delivery and Budget Implementation Plan (SDBIP) for 2013/14. It is therefore imperative that the 2013/14 IDP Review be read in conjunction with the Plan adopted in May 2012, as the Review does not constitute a new IDP.

## 1.2 INTEGRATED DEVELOPMENT PLANNING (IDP) PROCESS

The IDP process encourages all stakeholders who reside and conduct business within a municipal area to participate in the preparation and implementation of the development plan. Stakeholders involved in the IDP process, includes the Municipality, Local Municipalities in the District, Councillors, National and Provincial Sector Departments, communities and other stakeholders.

The IDP has a lifespan of five (5) years, linked directly to the term of office for Local Councillors. The Executive Committee or Executive Mayor of the Municipality has to manage the IDP. This responsibility may be assigned to the Municipal Manager.

The shaded area above indicates the current period of review.

### **1.3 LEGISLATIVE REQUIREMENTS**

The development and implementation of Integrated Development Plans are guided by:

- ✓ The Constitution of the Republic of South Africa, 1996 (Act 108 of 1996)
- ✓ White Paper on Local Government (1998)
- ✓ Municipal Systems Act, 2000 (Act 32 of 2000)
- ✓ Municipal Structures Act, 1998 (Act 117 of 1998)
- ✓ Municipal Finance Management Act, 2003 (Act 56 of 2003)
- ✓ Municipal Planning and Performance Management Regulations, 2001

### **1.4 DISTRICT IDP FRAMEWORK PLAN AND IDP REVIEW TIME SCHEDULE**

The Overberg District Municipality is responsible for drafting the District Framework Plan, a mechanism to ensure alignment and integration between the IDPs of the Overberg District Municipality and Local Municipalities of Cape Agulhas, Overstrand, Theewaterskloof and Sedgefield.

Prior to commencing with the planning process, an IDP Process Plan needs to be prepared. The purpose of the IDP Process Plan is predominantly to ensure proper management of the planning process. District and Local Municipal IDP Process Plans have to be formulated in line with the District IDP Framework Plan, as agreed to by all Municipalities in the District. The District intends tabling to Council before August 2013 an IDP Review Time Schedule, for approval. The Time Schedule, based on the Process Plan approved in 2012, would serve to guide and inform all stakeholders with regard to processes and interventions for the 2013/14 IDP review process.

### **1.5 ROLE OF THE DISTRICT**

Section 83(3) of the Municipal Structures Act, 1998 (Act 117 of 1998), states:

*"A district municipality must seek to achieve the integrated, sustainable and equitable social and economic development of its area as a whole by . . ."*

- (a) *ensuring integrated development planning for the district as a whole;*
- (b) *promoting bulk infrastructural development and services for the district as a whole;*
- (c) *building the capacity of local municipalities in its area to perform their functions and exercise their powers where such capacity is lacking; and*
- (d) *promoting the equitable distribution of resources between the local municipalities in its area to ensure appropriate levels of municipal services within the area.*

Sections 84(1) and (2) of the Systems Act further highlights more specific functions assigned to Districts.

## CHAPTER 2: SITUATIONAL ANALYSIS

### 2.1 GEOGRAPHICAL BOUNDARIES

Geographically, the Overberg District Municipality (ODM) is situated in the south of the Western Cape and borders the Indian and Atlantic Oceans to the south, and Cape Town, Cape Winelands and Eden in the west, north and east. The Overberg Region comprises an area of over  $11,391\text{km}^2$  with a population of 258,176 (*StatsSA 2011 Census*).

The Overberg District Municipality is classified as a 'Category C' Municipality, with Local Municipalities of Cape Agulhas, Overstrand, Theewaterskloof and Swellendam classified as 'Category B'.

As indicated in the initial 5-Year Plan, the District anticipated more reliable and accurate information from the Census 2011 data. However, the population figure of 258,176 is considered to be much lower in comparison with local community profiling data, and therefore remains contested by the District. Once again, the StatsSA data compromises informed decision-making for future planning and impacts on the Equitable Share allocation to the District. It is noted that the District currently is liaising with StatsSA to have community profiling data formalised. Such meeting is envisaged in April 2013.

### 2.2 DEMOGRAPHICS: DISTRICT

Statistics for the Overberg District were retrieved from the Western Cape Government Provincial Treasury Regional Development Profile. These statistics are informed by StatsSA data based on the 2011 Census.

#### • Population

Population across the different regions in the Western Cape Province:

Region	StatsSA 2001 Census	StatsSA 2011 Census	Percentage Population Growth	2011 Percentage Share of Western Cape
Overberg District	203,520	258,176	26.9%	4.4%
City of Cape Town	2,893,247	3,740,026	29.3%	64.2%
West Coast	282,673	391,766	38.6%	6.7%
Cape Winelands	629,490	787,490	25.1%	13.5%
Eden	454,919	574,265	26.2%	9.9%
Central Karoo	60,482	71,011	17.4%	1.2%
Western Cape	4,524,331	5,822,734	28.7%	100.0%

Source: *StatsSA 2001 & 2011 Census*

As illustrated in the above table, the Overberg District population is the second smallest population in the Western Cape, after the Central Karoo District.

Population distribution across Overberg Municipalities as per *StatsSA 2011 Census*:

Theewaterskloof:	108,790
Overstrand:	80,432
Swellendam:	35,916
Cape Agulhas:	33,038
	<u>258,176</u>

#### • Population Groups

Population Group	2001 Population	%	2011 Population	%	Average Annual Growth rate 2001-2011
African	40,328	19.8	66,151	25.9	5.1%
Coloured	120,434	59.2	139,825	54.7	1.5%
Indian or Asian	277	0.1	816	0.3	11.4%
White	42,482	20.9	48,692	19.1	-1.4%
Total	203,521	100	255,484	100	2.3%

Source: *StatsSA 2001 & 2011 Census*

#### • Age and Gender Distribution

The 2011 Census estimates that 49.9% of the Overberg population is female, and 50.1% male. Life expectancy nationally is estimated to have increased to 54.9 years for males, and 59.1 years for females.

Age cohorts 0 to 44, except for cohort 15 to 19 years proportionally indicate a larger male population in Overberg District. This changes from age cohorts 45 upwards where there appears to be a sharp decline in the male population.

#### 2.2.1 Institutional Analysis

The current employee component comprises 307 permanent employees. The different functionalities of the Overberg District Municipality are incorporated within two (2) directorates, i.e. Directorate: Management Services and Directorate: Community Services. In partnership with other role-players in the District, respective Senior Management members are the implementing agents for the five (5) strategic priorities of Council.

#### 2.2.2 Financial Analysis

South Africa's Fiscal Framework entitle Municipalities to a share of National raised revenue through the unconditional Equitable Share grant and other allocations from National or Provincial Government, in the form of conditional or unconditional grants.

The value of transfers varies between Municipalities. The objectives of the transfers are to address historical imbalances between revenue and expenditure, to support National priorities to improve the quality of life of people and to promote good governance and strengthen administrative capacity.

### National Transfers per Municipal Area, 2012/13 MTREF:

Type of Transfer	Overberg DM R'000	TWK R'000	Oysterstrand R'000	CAM R'000	Swellendam R'000	Region R'000
<b>TOTAL</b>	<b>47,176</b>	<b>85,811</b>	<b>60,361</b>	<b>31,211</b>	<b>33,072</b>	<b>257,631</b>
Equitable Share	43,926	53,343	36,146	16,877	18,897	169,189
Conditional Grants & Subsidies:	3,250	32,468	24,215	14,334	14,175	88,442
LG Financial Management Grant	1,250	1,500	1,250	1,250	1,250	6,500
Municipal Systems Improvement Grant	1,000	800	800	800	800	4,200
Municipal Infrastructure Grant		26,174	16,947	10,284	11,125	64,530
Neighbourhood DevPartnership			2,418			2,418
Integrated Nat Electrification Prog		3,000	1,800	1,000		5,800
EPWP Incentive Grant	1,000	994	1,000	1,000	1,000	4,994

Source: Division of Revenue Act (5 of 2012)

The Equitable Share is an unconditional grant which is the largest proportion of all the National transfers to Overberg District Municipality, accounting 65.7% of National transfers during the 2012/13 MTREF. The Overberg District Municipality receive the least in conditional grants, as the conditional grants are mainly transferred to the Local Municipalities for the extension of basic municipal services.

#### ➤ Current Financial Situation: Overberg District Municipality

Despite the current dire financial position of the Overberg District Municipality, it nevertheless strives to meet its objectives to attain and maintain financial viability by executing accounting services in accordance with National policy and guidelines.

The District in 2011 acted accordingly and in terms of Section 135(3)(b) of the Municipal Finance Management Act (MFMA), 2003 (Act 56 of 2003), which states:

*"Primary responsibilities for resolution of financial problems*

- (1) *The primary responsibility to avoid, identify and resolve financial problems in a municipality rests with the municipality itself.*
- (2) *A municipality must meet its financial commitments.*
- (3) *If a municipality encounters a serious financial problem or anticipates problems in meeting its financial commitments, it must immediately –*
  - (a) *seek solutions for the problem;*
  - (b) *notify the MEC for local government and the MEC for finance in the province; and*
  - (c) *notify organised local government."*

Several interactions over a period of time have unsuccessfully been held with other spheres of Government for additional sources of revenue. This leaves the District in a difficult position as expansion is needed in order to deliver the required level of service.

Furthermore, a large portion of the Municipality's revenue is derived from Government grants and subsidies. Unless the Municipality drastically cuts its spending even more or increases its own revenue source, dependence on further government support, above the current levels, will become inevitable. Approximately 85% of the Municipality's income is derived from grants.

With the tabling of the Adjustments Budget to Council on 25 February 2013, it is evident that the Overberg District Municipality experiences a serious financial crisis and that the Budget will not balance or be cash-funded.

Here follows the Adjustments Budget, tabled 25 February 2013:

Description	Budget Year 2012/13				Budget Year +£ 2013/14	Budget Year +£ 2014/15
	Original Budget	Other Adjusts. G	Total Adjusts. H	Adjusted Budget B	Adjusted Budget	Adjusted Budget
R thousands	A	F	G	H

### **2.2.3 Spatial Analysis**

The National Spatial Development Perspective (NSDP) acts as a policy co-ordination and indicative planning tool for all spheres of Government. The Geographic Information Science (GIS) technology has a strong influence on spatial analysis. The increasing ability to capture geographic data means that spatial analysis is occurring within increasingly data-rich environments. GIS provide platforms for managing these data, computing spatial relationships such as distance, connectivity and directional relationships.

The Overberg District Spatial Development Framework (SDF) is currently being revised and completion thereof is envisaged for April 2013 (refer Chapter 8).

### **2.2.4 Environmental Analysis**

Environmental analysis entails the implementation of sustainable environmental management in all sectors and projects. To ensure sustainability on a project level a full set of criteria was adopted in the Overberg, viz. Environmental, Technical, Economical, Social and Cultural-Historic. All development/project plans are to adhere to such criteria.

- Climate Change**

As referred to in the National Development Plan (NDP) 2030, the impact of climate change is global in scope and global solutions must be found, with due consideration to regional and national conditions. Climate change in the Overberg region will be addressed through the implementation of IDP projects that adhere to sustainable environmental management. Development of the Coastal Management Programme and Estuary Management Plans further give effect to climate change response.

### **2.2.5 Economic Analysis**

- Economic Growth**

As per the Municipal Economic Review & Outlook (MERO) research study in 2012, there appears to be grounds for a more optimistic outlook over the next three to five years. Economic growth, as measured by GDP, is driven by two components, viz. population growth and labour productivity.

The Overberg District accounts for a relatively small share of the Western Cape economy, i.e. 2%, and 1% of the non-Metro GDP-R, i.e. the second smallest district economy outside of the Cape Metropole.

- Overberg District Economy Sector Composition**

The following illustrates the composition of the Overberg District Economy for 2000-10:

Industry	TWK	Overstrand	CAM	Saldanha	Overberg
Agriculture, Forestry and Fishing	-0.5	-0.3	0.9	-5.8	-1.1
Mining and Quarrying	-6.4	-7.9	6.8	-10.5	-0.8
Manufacturing	4.9	7.4	7.0	10.2	6.7
Electricity, Gas and Water	-0.7	-4.2	3.0	6.2	1.0
Construction	11.0	9.1	11.2	10.3	10.1
Wholesale & Retail Trade, Catering & Acc	0.9	3.9	0.5	6.6	3.0
Transport, Storage and Communication	3.1	9.9	0.5	12.0	6.6
Finance, Insurance, Real Estate and Business Services	13.1	10.6	10.4	4.5	11.0
Community, Social and Personal Services	1.4	4.7	6.4	4.0	3.9
General Government	0.4	4.0	5.7	2.9	3.0
<b>TOTAL</b>	<b>3.7</b>	<b>6.6</b>	<b>5.6</b>	<b>4.5</b>	<b>5.0</b>

Source: MERO 2012

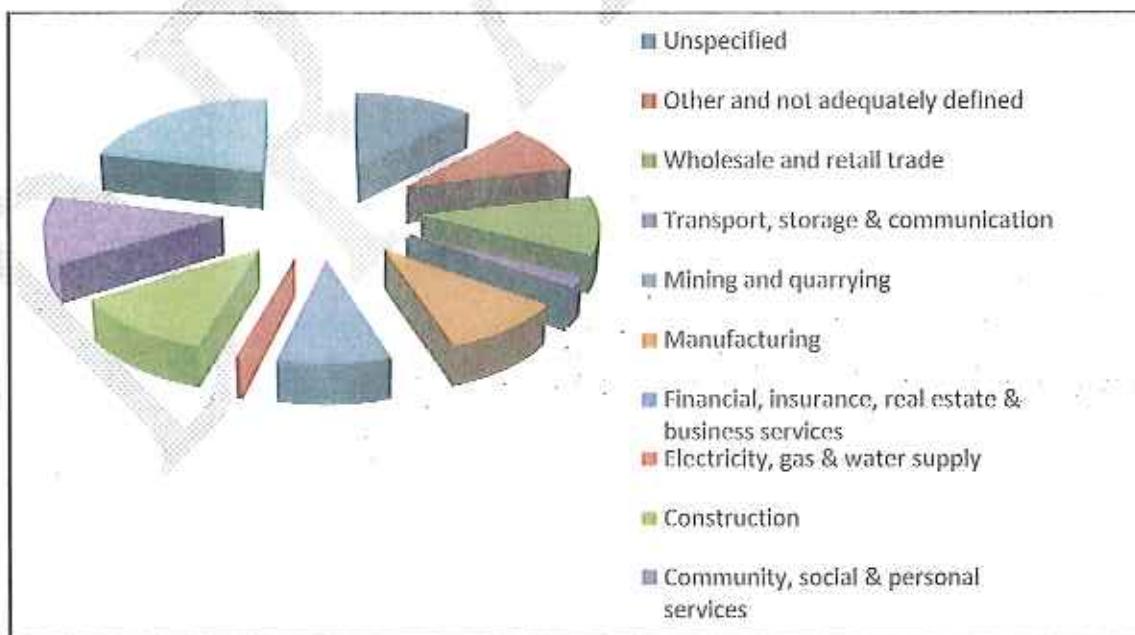

The Overstrand (6.6% p.a.) and Cape Agulhas (5.6% p.a.) municipal economies registered the fastest real GDP-R growth in the District over the 2000s. Swellendam (4.5% p.a.) also grew faster than the Province (4.1% p.a. over corresponding period). Theewaterskloof (3.7% p.a.) municipal economy grew the slowest with its agricultural and electricity sectors shrinking and mining sector stagnating.

#### • Employment by Sector

The skill level of the employed indicates current availability of jobs skills necessary within the labour market. It serves as an indication to what extent the labour market could accommodate workers at the different skill levels.

Sector	Overberg DM	Cape Agulhas	Overstrand	Theewaterskloof	Swellendam	Overberg DMA
Unspecified	12.4%	12.7%	12.6%	10.3%	19.1%	0.0%
Other and not adequately defined	9.0%	7.6%	10.5%	8.0%	10.6%	56.3%
Wholesale and retail trade	10.9%	10.1%	14.7%	7.0%	15.2%	25.0%
Transport, storage & communication	2.2%	1.6%	3.0%	1.5%	3.3%	18.8%
Mining and quarrying	0.1%	0.4%	0.0%	0.0%	0.0%	0.0%
Manufacturing	10.2%	11.8%	11.0%	8.5%	11.7%	0.0%
Financial, insurance, real estate & business services	9.2%	9.4%	11.3%	8.9%	3.8%	0.0%
Electricity, gas & water supply	0.5%	0.9%	0.2%	0.5%	1.1%	0.0%
Construction	11.8%	14.8%	15.8%	8.6%	8.2%	0.0%
Community, social & personal services	12.4%	17.2%	12.6%	10.5%	12.4%	0.0%
Agriculture, hunting, forestry & fishing	21.3%	13.6%	8.4%	36.1%	14.7%	0.0%

Source: StatsSA, Community Survey 2007

Source: StatsSA, Community Survey 2007

Agricultural contribution to employment is the highest in Theewaterskloof Municipality at 36.1%. Community and social services was the major employment contributor in Cape Agulhas at 17.2%. Construction is the major contributor to employment in Overstrand at 15.8%. Wholesale and retail is the major employment contributor in Swellendam at 15.2%

- Unemployment**

Although unemployment impacts across gender, race, age and other social divides its effects within certain groups are more pronounced. This could be as a result of a number of factors which could include past or current discrimination or differences in skill or education levels of individuals.

	Labour Force	% of District Labour Force	Employed	% of District Employed	Unemployed	% of District Unemployed
Cape Agulhas	13,246	13.7	12,346	15.5	900	5.3
Overstrand	33,569	34.8	25,470	32.1	8,099	47.3
Theewaterskloof	39,979	41.1	32,514	40.9	7,465	43.6
Swellendam	9,705	10.1	9,029	11.4	676	3.9
Overberg DMA	64	0.1	64	0.1	0	0.0
<b>Overberg District</b>	<b>96,562</b>	<b>100.0</b>	<b>79,423</b>	<b>100.0</b>	<b>17,139</b>	<b>100.0</b>

Source: StatsSA, Community Survey 2007

Overstrand and Theewaterskloof had the highest share of the unemployed in 2007. On the other hand, Cape Agulhas and Swellendam recorded the lowest share of the unemployed in 2007.

## 2.2.6 Social Analysis

- Education and Human Development**

  - Educational Attainment**

Educational attainment reflects what skills are available to society and the labour market. The level of education provides an indication of the income potential and standard of living of residents in a particular geographic area. Here follows the education level of residents within the Overberg District for 2001 and 2011.

Overberg Region	2001	2011
No schooling	9 511	9 523
Some primary	28 796	59 739
Complete primary	13 106	17 498
Some secondary	43 178	79 249
Grade 12	25 548	41 241
Higher	11 416	19 683

Source: StatsSA 2001 & 2011 Census

  - Healthcare facilities**

Healthcare facilities in the Overberg Region:

Facilities as at February 2012	Comm Health Centres	Comm Day Centres	Clinics	Satelite Clinics	Mobile Clinics	District Hospitals
Overberg District	0	1	23	7	14	4
Cape Agulhas	0	0	4	1	2	1
Overstrand	0	0	8	4	0	1
Theewaterskloof	0	1	6	2	9	1
Swellendam	0	0	5	0	3	1
Overberg DMA	N/A	0	0	0	0	0

Source: Western Cape Department of Health Annual Performance Plan 2012/13

## ➤ HIV/AIDS Treatment and Care

According to the 2009 National HIV Survey the estimated HIV prevalence for the Western Cape was 16.9%. The weighted Provincial Survey estimate from the larger sub-district survey was 16.8%. The highest HIV prevalence estimates remain amongst the age groups of 25-29 and 30-34 years.

(Source: Department of Health, Annual Performance Plan 2011/12; 18)

The following table depicts how the Overberg and different Health Districts in the Western Cape have responded to the healthcare need with respect to HIV/AIDS treatment and care.

District	ART Patient Load: Jun 10	ART Patient Load: Jun 11	ART Patient Load: Jun 12
Overberg	2,386	3,259	4,253
West Coast	2,149	3,205	3,547
Cape Winelands	8,477	9,750	11,80
Eden	6,777	7,847	9,397
Central Karoo	559	674	715
City of CT	59,734	75,652	85,791
Western Cape	80,082	100,387	115,533

Source: Western Cape Department of Health, 2010, 2011 and 2012

## • Safety and Security

Crime has a significant impact on the economy. It can hamper growth and discourage investment and capital accumulation. If it is not tackled with seriousness, it has the potential to derail both social and economic prosperity.

The following table depicts Overberg District's crime statistics, converted to per 100,000 persons to make it comparable across the geographical areas of Province.

Overberg Region	Apr 2008 to Mar 2009	Apr 2009 to Mar 2010	Apr 2010 to Mar 2011	Apr 2011 to Mar 2012
<b>Contact Crime (crime against person)</b>				
Murder	92	114	79	85
Total sexual crimes	418	429	452	369
<b>Property-Related Crime</b>				
Burglary at residential premises	1,871	2,203	2,077	2,377
<b>Crime Heavily Dependent on Police</b>				
<b>Action for Detection</b>				
Drug-related crime	2,371	2,631	3,143	3,004
Driving under influence of alcohol/drugs	628	729	796	754

Source: South African Police Services, 2011/12

## • People Living in Poverty

The poverty rate is the percentage of people living in households with an income less than the poverty income. The poverty income is defined as a minimum monthly income needed to sustain a household and varies according to household size.

Global Insight estimates on the number of people living in poverty in the Overberg Region shows a sharp increase from 29,893 to 78,686 between 1996 and 2010. This

has implications for Equitable Share distribution in terms of increasing the number of indigent households.

Code	Municipality	2001	2007	2010
DC03	WC – DC3 Overberg District Municipality	31.0%	30.3%	29.6%
D033	WC033 Cape Agulhas (including DMA)	25.1%	20.5%	19.1%
D032	WC032 Overstrand	25.6%	26.2%	25.5%
D031	WC031 Theewaterskloof	35.3%	35.6%	35.0%
D034	WC034 Swellendam	33.6%	31.3%	30.7%

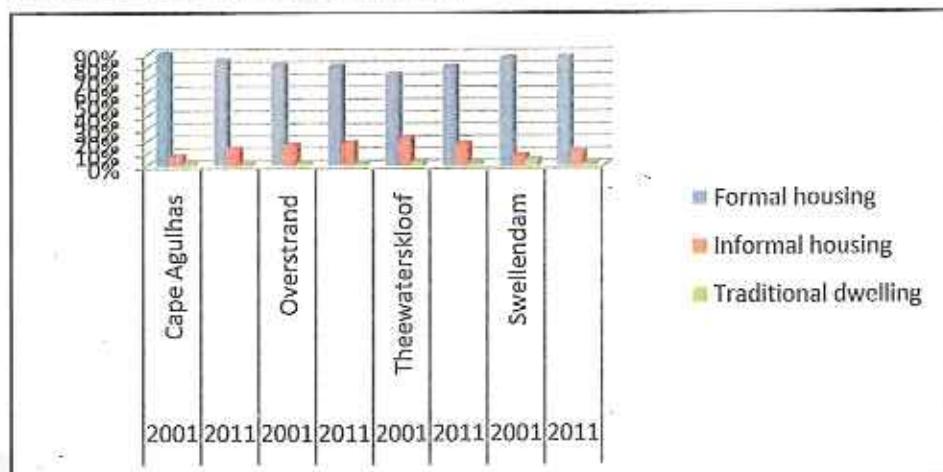

Source: Global Insight

The above table depicts that Theewaterskloof and Swellendam Municipalities have the highest percentage of people living in poverty in 2010. Cape Agulhas Municipality shows a decline in poverty rate from 25.1% in 2001 to 19.1% in 2010.

- **Municipal Services**

- **Access to Housing**

The illustration below reflects the percentage of household dwellings that are categorised as formal/informal dwellings and compares household dwelling types across the District in 2001 and 2011:

Source: StatsSA 2001 & 2011 Census

The access of formal dwellings improved in the Overberg District, from 87.9% to 91.3% between 2001 and 2011.

The following table depicts housing delivery and housing backlog in the Overberg:

	Housing Delivery	Housing Backlog
	<i>Included in Final IDP</i>	
Cape Agulhas		
Overstrand		
Theewaterskloof		
Swellendam		

- **Water and Sanitation**

Access to improved water sources is a key element in improved quality of life. The water supplied should be safe and should be made available to communities to prevent the use of unsafe supplies that can lead to diseases. Unsafe water supplies will in turn have an impact on public health.

	CAM		Overstrand		TWK		Sdsm	
	2001	2011	2001	2011	2001	2011	2001	2011
Water-carrier/tanker/water vendor	0.7%	0.7%	0.8%	0.5%	0.4%	0.8%	0.9%	1.5%
Dam/river/stream/spring	0.2%	0.1%	0.3%	0.0%	0.3%	0.2%	2.0%	0.0%
Borehole/rain-water tank/well	0.3%	0.5%	0.1%	0.1%	0.1%	0.4%	0.1%	0.3%
Piped water on community stand: distance greater than 200m from dwelling	1.6%	1.2%	3.7%	0.8%	9.2%	1.7%	3.4%	1.9%
Piped water on community stand: distance less than 200m from dwelling	5.4%	6.8%	7.8%	9.3%	7.5%	10.1%	3.2%	5.4%
Piped water inside yard	14.4%	8.8%	14.6%	13.5%	20.8%	13.5%	24.8%	11.9%
Piped water inside dwelling	77.5%	81.8%	72.7%	15.8%	61.7%	73.3%	65.2%	78.9%

*District Water Access: StatsSA, Census 2001 and 2011*

Household access to piped water averages above 95% for all the different Municipalities across the Overberg District in 2011, the highest being recorded in Overstrand at 98.6% and the lowest being recorded in Swellendam at 96.3%.

#### ➤ Water Service Institutions

- ♦ **Water Board:** Government-owned Water Boards play a key role in the South African water sector. They operate dams, bulk water supply infrastructure, some retail infrastructure and some wastewater systems. There are 15 Water Boards in South Africa. The three Largest Water Boards: **Overberg Water** in Western Province, Rand Water in Gauteng Province and Umgcini Water in KwaZulu Natal Province. It is noted that the ODM is not a Water Service Authority, and that:

  
serve the District in  
Municipal Areas of:

- ♦ Cape Agulhas
- ♦ Theewaterskloof
- ♦ Swellendam

- ♦ **Water Service Authority (WSA):** A Water Service Authority, defined as any Municipality responsible for ensuring access to water service in the Act, may perform the functions of a Water Service Provider, and may also form a joint venture with another water services institution to provide water services. The WSDP should be in line with the catchment management strategy of that water management area. The plan provides a linkage between water services provision and water resources management.

- ♦ **Water Service Provider (WSP):** The main duty of a water service provider is to provide water services in accordance with the Constitution, the Water Services Act, 1997 (Act 108 of 1997) and by-laws of the WSA, and in terms of any specific conditions set by the WSA in a contract. Main objectives of the WSA incorporate providing for the right of access to basic water supply and sanitation necessary to secure sufficient water and an environment not harmful to human health.

#### ➤ Water and Sanitation : Bulk Infrastructure

Provincial Government recognises that considerable bulk infrastructure challenges are delaying service delivery by the Municipalities in the Western Cape. Province has therefore established a Bulk Infrastructure Task Team (BITT) to address these challenges, focusing on water and sanitation, and have decided to assist District Municipalities in appointing a Service Provider for the compilation of a

Comprehensive Bulk Infrastructure Master Plan for each of the Municipalities in each of the Districts in the Western Cape Province.

#### ➤ Sanitation

The 2011 Census highlighted that the Overberg Region reflects an improvement in households having access to flush toilets from 84.7% to 92% between the last two Censuses. The following table depicts water and sanitation backlogs in the District:

	Informal housing with no access to basic water	Informal housing with no access to basic sanitation	Informal housing with access to Shared Service	Backyard Dwellers with access to Shared Service
Cape Agulhas				
Overstrand				
Theewaterskloof				
Swellendam				
<i>Included in Final IDP</i>				

#### ➤ Energy

Energy is an important source of survival for households. Not only is energy used as a source of heat, but it is also used to cook and as a source of light. Access to electricity for cooking in Overberg improved from 75.3% in 2001 to 81.4% in 2011.

#### ➤ Renewable Energy

The Overberg District Municipality recognises the use of renewable energy as a means to generate electricity to supplement Eskom's need to increase natural energy. The White Paper on the National Climate Change Response, published in October 2011, marked the shift to renewable energy as a medium-term (twenty years from date of publication) mitigation option.

DEADP currently is developing a Western Cape Sustainable Energy Bill. This Bill is aimed at providing a Provincial Integrated Sustainable Energy Plan for the Province, which would aid in regulating and co-ordinating renewable energy developments in a sustainable manner.

#### ➤ Refuse Removal

In adhering to the National Waste Act, 2008 (Act 59 of 2008) the **Overberg District Municipality has a Draft Integrated Waste Management Plan (IWMP) in place**.

Refuse removal services by local authority/private company is the leading source of refuse removal for households for all Districts in the Western Cape. The 2011 Census highlighted that the City of Cape Town has the highest proportion of households with refusal removal by local authority at 94%, followed by Eden at 86% and Overberg region at 83%. Access to refuse removal in the Overberg illustrated:

	Theewaterskloof		Overstrand		Cape Agulhas		Swellendam	
	2001	2011	2001	2011	2001	2011	2001	2011

↳ Removed by local auth at least once a week	70	79	88	92	79	80	71	74
↳ Unspecified / other	3	3	1	2	4	1	2	1

Source: StatsSA 2001 and 2011 Census

## CHAPTER 3: OVERVIEW: LOCAL MUNICIPALITIES

### 3.1 CAPE AGULHAS

Situated in Bredasdorp, the Cape Agulhas Local Municipality is the southernmost Local Municipality in Africa. Its coastline is surrounded by the Atlantic and Indian oceans which meet at the most southern town in Africa, viz. L'Agulhas.

Cape Agulhas Municipality comprises the towns of Bredasdorp, Napier and the coastal towns of Arniston, Suisbaai, L'Agulhas and Suidstrand as well as a vast area of surrounding rural properties including rural dense areas of Elim, Klipdale and Protea.

Cape Agulhas Municipality has been classified a low capacity municipality, with the majority of the population residing in urban areas. The demarcated municipal area covers approximately  $2411 \text{ km}^2$  with a population of 33,038 (*StatsSA 2011 Census*).

The Municipality has a well diversified economy with an established manufacturing sector. The agriculture, forestry, fishing and tourism sectors dominate the inland and coastal areas. It has a typical rural atmosphere with an average business core that contains most of the important services such as a hospital, clinic and police station.

- **Ward Committee System**

Cape Agulhas Municipality is demarcated into five (5) wards, each with a directly elected Councillor. These Councillors are assisted by a Ward Committee of ten (10) members. Two (2) political parties are represented, viz. the Democratic Alliance (DA) and the African National Congress (ANC) as well as one (1) Independent member.

### 3.2 OVERSTRAND

Situated in Hermanus, Overstrand Local Municipality comprises the towns of Greater Hermanus, Hangklip-Kleinmond, Stanford and Gansbaai.

Overstrand Municipality has been classified a high capacity municipality. The municipal area of Overstrand covers a surface of nearly  $1 708$  square km and has a permanent population of 80,432 (*StatsSA 2011 Census*).

Hermanus has a well developed industrial area enjoying growth in the building sector, with commercial and retail property development adding to the economic wealth of the area. Hermanus is also a leader in commercial abalone farming. Agriculture, manufacturing, wholesale and retail businesses, financial and investment companies and the wine industry contribute significantly to the economic prosperity. Substantial

contributions are received from the tourism, fishing, aquaculture and agriculture sectors. In the District, Overstrand Municipality has the fastest growing local economy.

#### o Ward Committee System

The Overstrand area is demarcated into thirteen (13) wards, each with a directly elected Councillor. These Councillors are assisted by a Ward Committee of ten (10) members. Twelve (12) of the twenty-five (25) Councillors represent political parties on a proportional basis. Three (3) political parties are represented, viz. the Democratic Alliance (DA), the African National Congress (ANC) and the National Independent Civic Organisation (NICO).

### 3.3 THEEWATERSKLOOF

Situated in Caledon, Theewaterskloof Municipality is the largest Local Authority in the Overberg District, embracing the City of Cape Town on its western boundary and sharing the eastern coastline with the Overstrand Municipality. The town owes its situation to the presence of hot water springs which were the catalyst for the initial growth of the town which was later named after its Governor, the Earl of Caledon.

Theewaterskloof Local Municipality has the largest geographical area in the Overberg District, comprising the towns of Villiersdorp, Tresselsdal, Grabouw, Botrivier, Caledon/Myddleton, Genadendal, Greyton and Riversonderend. The key administrative and economic activities are located in Caledon. The Municipality forms part of the Project Consolidate programme for municipalities.

Caledon serves as the district government service centre, being home to the District/Regional offices of the Departments of Social Development, Education and Home Affairs.

Theewaterskloof remains the most populous municipal area in the Overberg District with a population of 108,790 (*StatsSA 2011 Census*).

- **Ward Committee System**

Theewaterskloof Municipality is demarcated into thirteen (13) wards, each with a directly elected Councillor. Four (4) political parties are represented, viz. the Democratic Alliance (DA), the African National Congress (ANC), the National People's Party (NPP) and the Congress of the People (COPE).

Town Advisory Forums have been established in towns such as Grabouw, Villiersdorp and Caledon where there is more than one Ward Committee. The Town Advisory Forum comprises Ward Councillors, PR Councillors, Ward Committee members and respective Town Manager. The functions of the Town Advisory Forums are to advise and make recommendations to Council on behalf of the communities in the wards they serve. A Service Level Agreement (SLA) Advisory Forum has also been established.

### **3.4 SWELLENDAM**

Swellendam Local Municipality comprises the towns of Suurbraak, Buffeljagsrivier and Barrydale.

Swellendam Municipality has been classified a low capacity municipality. It is the second largest Municipality within the District, in relation to geographical area, and the second smallest in population size with a slightly lower average than the District in population growth. As per *StatsSA 2011 Census* data, Swellendam has a population of 35,916, compared to 28,077 reported in 2001.

Officially founded in 1745, Swellendam is the third oldest town in South Africa, after Cape Town and Stellenbosch. It is situated halfway between Cape Town and George.

Sector contributions are largely derived from agricultural activities, wholesale and retail and manufacturing activities. Farming activities dominate agricultural activities in Swellendam and there is a notable production of fruits and nuts.

- **Ward Committee System**

Swellendam Municipality is demarcated into five (5) wards, each with a directly elected Councillor. Three (3) political parties are represented, viz. the Democratic Alliance (DA), the African National Congress (ANC) and the African Christian Democratic Party (ACDP).

## **CHAPTER 4: REVIEW: OPERATIONAL DEVELOPMENTS**

In terms of section 34 of the Municipal Systems Act: “*A municipal council must review its integrated development plan annually in accordance with an assessment of its performance measurements and to the extent that changing circumstances so demand ...*”

In giving effect to the above, this first Review of the IDP serves to reflect on the progress of pre-determined objectives as contained in the Plan adopted in May 2012, as well as highlight any key development plans or strategies for 2013/14. The Review should therefore be read in conjunction with the 2012/13 Plan.

### **4.1 DIRECTORATE: MANAGEMENT SERVICES**

#### **4.1.1 Financial Management**

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Financial viability	Establish Municipal Public Accounts Committee (MPAC)	Established and fully functional – as per Council Resolution 27.02.12.
↳ Good governance and community participation	Establish MFMA Combined Steering Committee (MFMA-CSC)	Established and fully functional – as per Council Resolution 27.02.12.
<b>Pre-Determined Objectives 2013/14</b>		
<ul style="list-style-type: none"> <li>➢ Continued MPAC meetings, as and when required</li> <li>➢ Continued monthly MFMA-CSC meetings.</li> <li>➢ Respective Heads of Departments to ensure continued updating of the Operation Clean Audit Report (OPCAR). The OPCAR serves as an Action Plan addressing all audit comments issued during the 2011/12 audit.</li> </ul>		
<b>Further Developments: Financial Management</b>		
<ul style="list-style-type: none"> <li>▪ District and Local Municipalities in the District to compile a report regarding the re-calculation and allocation of Equitable Shares and submit such report to Provincial and National Treasuries.</li> </ul>		

#### **4.1.2 IDP, LED & Tourism**

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Local economic development	Revive District IDP Managers' Forum	Fully functional since 10.07.12 – meetings held quarterly.
↳ Municipal transformation and institutional development	Capacitate Human/Social Development Section by placing dedicated official in each sub-district	Change in organisational structure; District no longer performs function at local level; Local Municipalities required to implement own initiatives; District to assist where necessary, oversee and monitor implementation.
↳ Good governance and community participation	On-going support and training of Health & Welfare and Liaison Committees in Thesenweskloof and Swellendam areas	Due to capacity constraints, District not able to perform oversight/monitoring role.

	Capacitate IDP/LED Unit to fulfil supporting and co-ordinating role in District	Unable to fill critical posts due to budget constraints
	DHDT to assist District with development of District LED Strategy	Addressed at IDP Indaba 2; due to other commitments DEDT unable to assist District with Strategies in 2012.
	DEDT to assist District with development of District Tourism Strategy	
	Establish District Help Desk to be of assistance to all sectors/industries	Due to Budget and capacity constraints unable to establish District Help Desk.
	Advertise position for EPWP Data Capturer	Position for IDP/LED Co-ordinator to be advertised by June 2013; duties to include that of EPWP Data Capturer.
	Quarterly District EPWP Forum meetings	District EPWP Forum meetings are regularly held, exceeding the target.
	Create 115 EPWP work opportunities	As at September 2012, 90 work opportunities created.
	Quarterly Regional Tourism Stakeholder engagements	Due to capacity constraints, District has been unable to continue Regional Tourism Stakeholder engagements
	Quarterly District Public Participation and Communication (PPCOMM) Forum meetings	District PPCOMM merged with District IDP Rep Forum; meetings held quarterly.

#### Pre-Determined Objectives 2013/14

- Continued quarterly District IDP Managers' Forum meetings.
- Addressed at IDP Indaba 2; DEDT to assist District in 2013 with development of District LED and Tourism Strategies.
- Continued quarterly District EPWP Forum meetings.
- Users of EPWP funding to meet respective targets in order to create total of 115 work opportunities by March 2013.
- Continued quarterly District IDP Rep/ PPCOMM Forum meetings.
- Further projects as per Chapter 9, section 9.1.

#### Further Developments: IDP, LED & Tourism

- To establish District LED Forum as soon as Budget would allow and capacity is sourced.
- Continued assessment of ODMs financial position in order to fill critical vacancies across the IDP, LED & Tourism Unit.
- Advertise and fill IDP/LED Co-ordinator position in new financial year, depending on availability of funds.
- Continue supporting Local Municipal and Provincial local economic development initiatives, particularly with regard the further development of farmworkers and local businesses.

#### 4.1.3 Human Resources

IDP Linkage to Govt Outcomes / KPAs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Local economic development ↳ Municipal transformation and institutional development	Signed individual Employee Performance Contracts from level 6 upwards	All Performance Contracts signed.
	Possible migration from CAPMAN to SAMRAS system	Currently still utilising the CAPMAN system.
	Quarterly Employee Equity Committee meetings	EEC meetings held quarterly.
	Monthly Local Labour Forum (LLF) meetings	LLF meetings held monthly.
	Ensure training as per Workplace Skills Plan (WSP)	Progress of WSP monitored by LLF.
	Quarterly Training Committee meetings	Training Committee meetings held quarterly.
	Quarterly Occupational Health & Safety (OHS) meetings	OHS meetings held quarterly.
<b>Pre-Determined Objectives 2013/14</b>		
<ul style="list-style-type: none"> <li>➢ Continually ensure Performance Contract in place for all employees.</li> <li>➢ Continued quarterly EEC meetings.</li> <li>➢ Continued monthly LLF meetings.</li> <li>➢ Continued quarterly OHS meetings.</li> <li>➢ Continued quarterly Training Committees.</li> </ul>		
<b>Further Developments: Human Resources</b>		
<ul style="list-style-type: none"> <li>▪ Migration from CAPMAN to SAMRAS to be considered in 2013/14 financial year.</li> </ul>		

#### 4.1.4 Support Services

IDP Linkage to Govt Outcomes / KPAs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Municipal transformation and institutional development ↳ Good governance and community participation	Ensure dedicated Communication Official	A dedicated Official has been assigned as Communication Official for ODM.
	Develop District Communication Policy and Strategy	District Communication Strategy adopted 03.12.12.
	Develop Language Policy	Draft Language Policy in place.
	'Communication' as standing Agenda item for all meetings	Not yet done at all meetings; to ensure 'Communication' a standing Agenda item at future meetings.

<b>Pre-Determined Objectives 2013/14</b>	
<ul style="list-style-type: none"> <li>➤ Adoption of District Communication Policy by June 2014.</li> <li>➤ Adoption of District Language Policy by December 2013.</li> <li>➤ ‘Communication’ a standing Agenda item for all meetings.</li> <li>➤ Adoption of Records Management Policy by March 2013.</li> <li>➤ Quarterly Newsletter, <i>Ducus Nostrum</i>.</li> </ul>	

<b>Further Developments: Support Services</b>	
<ul style="list-style-type: none"> <li>▪ Ensure ‘Communication’ remain a standing Agenda item for all meetings.</li> <li>▪ That archives and records services be conducted in accordance with the adopted Records Management Policy, effective as from 1 March 2013.</li> </ul>	

## 4.2 DIRECTORATE: COMMUNITY SERVICES

### 4.2.1 Municipal Health Services

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
Basic services and infrastructure	Appoint additional fifteen qualified Environmental Health Practitioners	Due to Budget constraints, unable to appoint additional EHPs.
<b>Pre-Determined Objectives 2013/14</b>		
<ul style="list-style-type: none"> <li>➤ Continued assessment of ODMs financial situation to source additional capacity.</li> <li>➤ Further projects as per Chapter 9, section 9.1.</li> </ul>		
<b>Further Developments: Municipal Health Services</b>		
<ul style="list-style-type: none"> <li>▪ As per Overberg Integrated Conservation Group (OICG) Stakeholder projects list, Chapter 9, section 9.2.</li> </ul>		

### 4.2.2 Environmental Management

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Basic services and infrastructure	Appoint Waste Management Officer	Due to Budget constraints, an interim Waste Management Officer appointed.
<b>Pre-Determined Objectives 2013/14</b>		
<ul style="list-style-type: none"> <li>➤ Continued assessment of ODMs financial situation in order to source additional capacity.</li> <li>➤ Advertisement placed February 2013 for appointment of Service Provider to compile a Coastal Management Programme (CMP); development of the CMP to be phased out over a three-year period.</li> <li>➤ Further projects as per Chapter 9, section 9.1.</li> </ul>		
<b>Further Developments: Environmental Management</b>		
<ul style="list-style-type: none"> <li>▪ Overberg Integrated Conservation Group (OICG) functions as the formal IDP working group for municipal health services, environmental affairs and sustainable development in the Overberg.</li> <li>▪ Full set of criteria developed to ensure implementation of sustainable environmental management in all sectors and projects, viz, Environmental, Technical, Economical, Social and Cultural-Historic.</li> <li>▪ The <i>National list of ecosystems that are threatened and in need of protection</i> forms part of the environmental criteria when assessing any development application.</li> <li>▪ ODM adopted a Milkwood Tree Policy in order to manage and conserve the remaining milkwood trees within the Municipality’s coastal Resorts.</li> </ul>		

- Climate Change in Overberg region will be addressed by implementation of projects listed in the IDP that adhere to sustainable environmental management. The development of the Coastal Management Programme and Estuary Management Plans also give effect to climate change response.
- ODM recognises the use of renewable energy as a means to generate electricity to supplement Eskom's need to increase natural energy. DEADP current developing a Western Cape Sustainable Energy Bill.
- Department of Environmental Affairs together with ODM to address vacant position of Municipal Support Officer to ensure continuity of the service to all Local Municipalities in the District.
- Continued attempt to source funding for construction of third waste cell at Karwyderskraal.
- As per Overberg Integrated Conservation Group (OICG) Stakeholder projects list, Chapter 9, section 9.2.

#### 4.2.3 Municipal Resorts

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Local economic development	Improve and maintain Resorts to make it marketable and insure sustainable income	No financial assistance from Public Works; due to Budget constraints unable to improve and maintain Resorts to marketable standard.
↳ Financial viability	Resort Management Policy	
	Develop Marketing Plan	
	Client Satisfactory Survey	Client satisfaction questionnaire developed; concerns immediately addressed.

##### Pre-Determined Objectives 2013/14

- ODM and Department of Public Works to engage regarding upgrading and future maintenance of Resorts.
- Continued attention to client questionnaires to ensure client satisfaction.
- Further projects as per Chapter 9, section 9.1.

##### Further Developments: Municipal Resorts

- Following recommendations from the Health & Safety Consultant, possible closure of Resorts under consideration, particularly Dennehof, as upgrading and repairs prove to be costly.

#### 4.2.4 Fire, Rescue and Disaster Management Services

IDP Linkage to Govt Outcomes / KPIs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Basic services and infrastructure	Aerial Support Project for rapid aerial fire and rescue interventions in Overberg Region from 1 December to 30 April each year  Vehicle Replacement Project to efficiently respond to incidents in Overberg Region and significantly reduce response times	Projects highlighted as sector priorities; discussed at IDP Indaba 2; Province only able to offer operational and not financial support.

<b>Pre-Determined Objectives 2013/14</b>
<ul style="list-style-type: none"> <li>➤ Continued assessment of ODMs financial situation for acquisition of response vehicles.</li> <li>➤ Further projects as per Chapter 9, section 9.1.</li> </ul>
<b>Further Developments: Fire, Rescue and Disaster Management Services</b>
<ul style="list-style-type: none"> <li>▪ Devastating fires swept through parts of the Overberg region during December 2012 and January 2013, particularly in the Overstrand area.</li> <li>▪ The farmworker strikes and violent unrest in Swellendam, Grabouw and Villiersdorp placed an additional burden on Fire Services.</li> <li>▪ Revised Disaster Management Plan adopted by Council in August 2012.</li> <li>▪ Festive and Fire Season Readiness Plan to be implemented for December-January periods.</li> <li>▪ The National EPWP Kamoso Award was awarded to the Overberg District Municipality for its EPWP Overberg ABI Firefighter Team Project; the only Municipal award in the Western Province.</li> </ul>

#### 4.2.5 Roads

IDP Linkage to Govt Outcomes / KPAs	5-Yr Pre-Determined Objectives (PDOs)	Progress / Outcome
↳ Basic services and infrastructure	Upgrading/tarring of junction road between Gansbaai and Bredasdorp via Elim	Within the legal framework of various Ordinances, Acts and Regulations, ODM acts as Provincial Agent for Department of Transport and Public Works for all activities relating to the maintenance of 3,685km of proclaimed roads in Overberg District. All maintenance done on schedule as per pre-approved programme.-
	Tarring of 114km gravel road between Caledon and Hermanus	
	Upgrade of R43 trunk road between Hermanus and Gansbaai	
	Attention to traffic congestion from Hawston to Voëlkloof	
	Blading of 6000km roads during 2012/13	

<b>Pre-Determined Objectives 2013/14</b>
<ul style="list-style-type: none"> <li>➤ Continued maintenance of 3685km proclaimed roads in Overberg District.</li> <li>➤ Regravelling of 6822km roads during 2013/14.</li> <li>➤ Further projects as per Chapter 9, sections 9.1.</li> </ul>
<b>Further Developments: Roads</b>
<ul style="list-style-type: none"> <li>➤ Further external projects as per Chapter 9, section 9.2.</li> </ul>

## **CHAPTER 5: NATIONAL DEVELOPMENT PLAN**

The National Planning Commission was appointed by the President in May 2010 to draft a vision and National Development Plan (NDP). The Commission's Diagnostic Report, released in June 2011, set out South Africa's achievements and shortcomings since 1994. It identified a failure to implement policies and an absence of broad partnerships as the main reasons for slow progress, setting out the following primary challenges:

- Too few people work;
- The quality of school education for black people is poor;
- Infrastructure is poorly located, inadequate and under-maintained;
- Spatial divides hobble inclusive development;
- The economy is unsustainably resource intensive;
- The public health system cannot meet demand or sustain quality;
- Public services are uneven and often of poor quality;
- Corruption levels are high; and
- South Africa remains a divided society.

Welcomed by South Africans from all walks of life, the Draft National Plan was released in November 2011. The NDP aims to eliminate poverty and reduce inequality by 2030. It focuses on the critical capabilities needed to transform the economy and society. Social cohesion needs to anchor the strategy. Business, labour, community and government will need to work together to achieve faster economic growth.

As indicated in Chapter 4, the Overberg District Municipality sets out to align its predetermined objectives (PDOs) with that of the NDP:

NDF 2030	KPA No.	Overberg District Municipality PDO
<b>Chapter 3:</b> Economy and Employment	2	Promotion of EPWP Job Creation Initiative
<b>Chapter 4:</b> Economic Infrastructure	1,2	Maintenance of 3685km proclaimed roads in district
<b>Chapter 5:</b> Environmental Sustainability and Resilience	1,2	Implementation of environmental, technical, economical, social and cultural-historic criteria in all environmental projects
<b>Chapter 6:</b> Inclusive Rural Economy	2,5	ODM Newsletter <i>Decus Nostrum</i>
<b>Chapter 7:</b> SA in the Region and the World	1,2,3,4,5	Coastal Management Prog and Estuary Management Plans
<b>Chapter 8:</b> Transforming Human Settlements	1,2,5	Support local municipalities in human settlement activities
<b>Chapter 9:</b> Improving Education, Training and Innovation	2,3,5	National Treasury Municipal Minimum Competency Level training programme
<b>Chapter 10:</b> Healthcare for All	1,2	Monitoring by Environmental Healthcare Practitioners
<b>Chapter 11:</b> Social Protection	1,2,5	Disaster Management Plan
<b>Chapter 12:</b> Building Safer Communities	1,2,5	Fire & rescue awareness programmes at local schools
<b>Chapter 13:</b> Building a Capable and Developmental State	1,2,3,4,5	Operation Clean Audit Report (OPCAR)
<b>Chapter 14:</b> Fighting Corruption	3,4,5	MPAC meetings
<b>Chapter 15:</b> Nation Building & Social Cohesion	2,5	District IDP Rep/PPCOMM Forum meetings

## CHAPTER 6: MONITORING AND EVALUATION

### VISION

Totally committed to serve the Overberg.

*Voluit in diens van die Overberg.*

### MISSION

To render sustainable, client-directed services and to be the preferred Provider of Shared Services within the Overberg.

*Om volhoubare, kliëntgerigte dienste te lewer en om 'n voorkeur Voorsieder van Gedeelde Dienste in die Overberg te wees.*

In considering Government's 12 National Outcomes (NOs) and Key Performance Areas (KPMAs) as well as the Batho Pele principles, the District's pre-determined objectives for 2013/14 are based on its Strategic Objectives (SOs):

1. To ensure the health and safety of all in the Overberg District through the provision of efficient basic services and infrastructure in terms of disaster management, municipal health and environmental management.
2. To promote local economic development by supporting initiatives in the District for the development of a sustainable district economy.
3. To ensure municipal transformation and institutional development by creating a staff structure that would adhere to the principles of employment equity and promote skills development.
4. To attain and maintain financial viability and sustainability by executing accounting services in accordance with National policy and guidelines.
5. To ensure good governance practices by providing a democratic and pro-active accountable government and ensuring community participation through existing IDP structures.

Following the adoption of the Integrated Development Plan and Budget, the Service Delivery and Budget Implementation Plan (SDBIP) is prepared in accordance with the Municipal Finance Management Act (MFMA), 2003 (Act 56 of 2003) and MFMA Circular 13.

The SDBIP indicates performance targets, financial performance targets and assigns responsibility to execute the respective performance targets. These performance targets are to be read in conjunction with Chapter 4.

## CHAPTER 7: INTERGOVERNMENTAL RELATIONS

- Strategic Objectives (SOs)**
- 1) Basic services and infrastructure
  - 2) Local economic development
  - 3) Municipal transformation and institutional development
  - 4) Financial viability
  - 5) Good governance and community participation

Intergovernmental relations among the three spheres of Government are regulated by the Intergovernmental Fiscal Relations Act, 1997 (Act 97 of 1997), and the Intergovernmental Relations Framework Act, 2005 (Act 13 of 2005).

Various District forums have been established and are co-ordinated by the District. These IGR Forums serve as a platform to enhance co-operative governance, share best practices and seek strategic consensus in addressing National, Provincial and Local priorities.

In executing its oversight role as a District and despite various challenges, particularly with regard capacity, the Overberg District Municipality is committed to supporting and enhancing intergovernmental relations (IGR) amongst all role-players in the District, including the four Local Municipalities as well as National and Provincial Governments.

To this effect, at the Provincial IDP Managers' Forum in December 2012, the Overberg District Municipality was awarded a Certificate of Excellence in Integrated Development Planning for Good Practice: Intergovernmental and Stakeholder Relations.

### ➤ District IGR Structures:

- ↳ Municipal Managers' Forum (MMF)
- ↳ District Co-ordinating Forum (DCF & DCFTech)
- ↳ District Skills Development Forum
- ↳ IDP Steering Committee
- ↳ District IDP Managers' Forum
- ↳ District IDP Representative/Public Participation & Communication Forum
- ↳ District Extended Public Works Programme Forum
- ↳ Regional Tourism Stakeholder Forum
- ↳ District Health Council
- ↳ Overberg Integrated Conservation Group (OICG)
- ↳ Karwyderskraal Landfill Monitoring Committee
- ↳ District Spatial Development Framework Forum
- ↳ District Fire Working Group
- ↳ Disaster Management Advisory Forum
- ↳ Regional Roads & Public Works

### ➤ District Participation in National and Provincial IGR Structures:

- ↳ Premier's Co-ordinating Forum (PCF)
- ↳ District Co-ordinating Forum (DCF & DCFTech)
- ↳ Minmay & MinmayTech
- ↳ Chief Financial Office Forum
- ↳ LG MTEC 1, 2 & 3
- ↳ Provincial Local Economic Development Forum
- ↳ Provincial Public Participation and Communication Forum

- ↳ Provincial Public Participation Workshops and Training Course
- ↳ Provincial Skills Development Forum
- ↳ Western Cape Municipal Health Working Group
- ↳ Western Cape Air Quality Forum
- ↳ Western Cape Food Control Committee
- ↳ Boland/Overberg Region Forum
- ↳ Agulhas National Park: Park Forum
- ↳ Provincial Coastal Committee
- ↳ Provincial Off-Road Vehicle Task Team
- ↳ Provincial Estuary Management Task Team
- ↳ Provincial Waste Management Forum
- ↳ Provincial Agulhas Biodiversity Initiative
- ↳ Provincial Spatial Development Framework (Departmental & Management Comm)
- ↳ Provincial Fire Working Group
- ↳ Provincial Disaster Management Advisory Forum
- ↳ Provincial Disaster Management: Head of Centre Meeting
- ↳ Western Cape Roads & Public Works
- ↳ Provincial Integrated Transport Plan Committee

➤ **Engagements: Department Local Government: IDP Directorate**

- ↳ IDP Indaba 1 / Special MinMayTech, 16 August 2012
  - ↳ IDP Indaba 2, 6 February 2013
  - ↳ IDP Indaba Working Group (IWG)
  - ↳ Provincial IDP Managers' Forum
  - ↳ IDP Capacity Building Workshops for Personnel
  - ↳ IDP Capacity Building Workshops for Councillors
- } (refer Chapter 8, 8.3)

The District thanks Mr J Lodi, Department Local Government: IDP Directorate and his team for their commitment to the District. In particular, a special word of thanks to Mr J Potts, Co-ordinator for the Overberg District. His assistance and support throughout the year is acknowledged.

➤ **Engagements: Department Economic Development & Tourism (DEDT)**

↳ **Local Economic Development (LED) Maturity Assessment**

An LED maturity assessment provides a practical way to rapidly assess the state of maturity of a Municipality or development organisation in the field of LED. The assessment method relies on information gathered by interviewing the chief LED decision-makers in a Municipality.

The Provincial Department of Economic Development & Tourism conducted a second round of LED maturity assessment of Overberg District Municipality in December 2012, the findings of which will be addressed at a strategic session of Council in March 2013.

↳ **Access to Finance Incentives Roadshow**

On 7 March 2013, DEDT in collaboration with Department of Trade and Industry (DTI), will be hosting an Access to Finance Incentives Roadshow in Caledon. The Roadshow intends marketing a range of financial products and incentives available for businesses to access.

➤ Engagements: Provincial / National Department of Transport & Public Works

Municipalities in the Overberg Region are committed to effectively utilising the new Conditional Grant by ensuring job opportunities and skills transfer to the unemployed. As required by conditions of the Conditional Grant, certain targets have to be met. Here follows a summary of progress in the District as at December 2012:

Municipality	DoRA Allocation	WOs		FTEs	
		Target	Progress	Target	Progress
Cape Agulhas	1,000,000	138	234	52	49
Overstrand	1,000,000	228	264	72	123
Theewaterskloof	994,000	352	52	99	8
Swellendam	1,000,000	150	230	54	36
Overberg DM	1,000,000	115	152	21	32
		983	932	298	248

➤ Engagements: Provincial Treasury / Department of Local Government

Provincial Government established the Municipal Governance Review and Outlook (MGRO) process to both assess and drive good governance and financial management processes, with the view of achieving clean audit outcomes and sustainable service delivery.

An MGRO engagement was held on 21 February 2013 with the Overberg District Municipality. At this engagement, in response to matters raised by Province, the Overberg District Municipality presented its Operation Clean Audit Report (OPCAR) as evidence of the Municipality's continued efforts in addressing all audit comafs issued by the Auditor-General. The OPCAR serves as an Action Plan addressing all audit comafs issued during a particular period under review.

➤ DCf Tech Workstreams

At a DCf Tech engagement held on 11 December 2012, it was resolved that a Terms of Reference (ToR) for each of the following workstreams would be formulated by the Municipalities, as indicated below:

- ↳ Theewaterskloof Municipality: Shared Services; Financial Sustainability
- ↳ Overstrand Municipality: Local Economic Development & Tourism
- ↳ Cape Agulhas Municipality: Service Delivery
- ↳ Overberg District Municipality: Environmental Management, including Air Quality Control and Coastal Management

Respective ToRs for each of the above Workstreams will be considered for approval at a DCfTech meeting in March 2013. Workstreams are to consist of officials with expertise from each Municipality in the District and a Chairperson must be elected. The role of the DCfTech would not be to implement, but purely to manage and monitor the Workstreams. It is therefore vital for Municipal Managers to attend DCfTech meetings.

## CHAPTER 8: SECTOR PLANS & PRIORITIES

### 8.1 SECTOR DEVELOPMENT PLANS

#### ➤ Spatial Development Framework (SDF)

All Local Municipalities in the District are participating in the revision process of the District SDF. The Provincial Department of Environmental Affairs and Development Planning also participates which ensures that all levels of detail will be worked into the District SDF in order to ensure alignment with other approved plans.

The Draft District SDF was published for comment and finalisation thereof envisaged in March 2013, and not December 2012, as previously reported. Alignment between the IDP and the District SDF is to be clearly illustrated prior adoption thereof by Council.

#### ➤ Integrated Transport Plan (ITP)

The Integrated Transport Plan (ITP) for the Overberg District, adopted in 2010, is currently under review in close consultation with relevant role-players and Local Municipalities in the District.

#### ➤ Integrated Waste Management Plan (IWMP)

Draft Integrated Waste Management Plan (IWMP) in place.

#### ➤ Air Quality Management Plan (AQMP)

The Department of Environmental Affairs & Development Planning and the Overberg District Municipality held discussions on 26 September 2012 to ensure the District has an AQMP in place by January 2013. Local Municipalities in the District did not participate and will be developing their own AQMPs, as required by NEMA: Air Quality Act.

It is confirmed that, in accordance with the National Environmental Management: Air Quality Act, 2004 (Act 39 of 2004), the Overberg District Municipality has an AQMP in place and is responsible for the licensing of listed activities.

➤ **Coastal Management Plan (CMP)**

The District advertised in February 2013 for a Service Provider to develop the Coastal Management Plan (CMP). The content of the CMP is to comply with section 49 of the Integrated Coastal Management Act.

It is noted that the Overberg District Municipality does not have the necessary and adequate resources to fulfil the coastal management function, as prescribed by the Act.

➤ **District Local Economic Development (DLED) Strategy**

Discussed at IDP Indaba 2; DEDT to assist the District in 2013.

➤ **District Tourism Strategy**

Discussed at IDP Indaba 2; DEDT to assist the District in 2013.

➤ **Disaster Management Plan (DMP)**

In accordance with the Disaster Management Act, 2002 (Act 57 of 2002), a revised Disaster Management Plan (DMP) was adopted by Council in August 2012.

Here follows confirmation as to Overberg District Municipality's Assessment of Risks:

**Disaster Management in the IDP for 2013/14**

**1. A Hazard, Risk and Vulnerability Assessment (HRVA) has been performed:**

	YES	NO
1.1 For the Municipal Area	✓	
1.2 For projects identified in the IDP	✓	

Comments: \_\_\_\_\_

**2. The identified disaster risks have been prevented or mitigated through the implementation of risk reduction programmes:**

	YES	NO
2.1 For the Municipal Area	✓	
2.2 For projects identified in the IDP	✓	

Comments: EPWP Teams form firebreaks and protection clearing.

**3. Appropriate disaster preparedness, response and recovery plans have been developed for a risk that cannot be prepared or mitigated:**

	YES	NO
3.1 For the Municipal Area	✓	
3.2 For projects identified in the IDP	✓	

Comments: \_\_\_\_\_

**4. The Municipality has instituted the following disaster management requirements:**

	YES	NO
4.1 Established a functional Disaster Management Centre	✓	
4.2 Appoint a Head of Centre	✓	
4.3 A functional Disaster Management Advisory Forum	✓	
4.4 A Disaster Management (DM) Plan has been developed	✓	
4.5 This DM Plan does include Sectoral Plans	✓	

Comments: \_\_\_\_\_

**5. Disaster Management has functional systems that comply with the following:**

	YES	NO
5.1 GIS data for disaster management	✓	
5.2 Risk reduction planning	✓	
5.3 Early warning system	✓	
5.4 Preparedness, response and recovery planning (Generic Plan)	✓	

Comments: \_\_\_\_\_

**6. These systems are linked to:**

	YES	NO
6.1 Other line functions in the Municipality	✓	
6.2 Other Municipalities	✓	
6.3 Security Forces (SAPS and SANDF)	✓	
6.4 Provincial MES	✓	
6.5 Provincial Departments	✓	
6.6 The National Disaster Management Centre	✓	

Comments: \_\_\_\_\_

**7. The Municipal Disaster Management Plan is completed, submitted and approved by (answer where applicable):**

	YES	NO
7.1 Other Municipalities in District Municipal Area	✓	
7.2 District Municipal Disaster Management Centre	✓	
7.3 Provincial Disaster Management Centre	✓	

Comments: \_\_\_\_\_

**8. List of all the projects that have been identified in the IDP as "Very High Risk", "High Risk", "Low Risk" and/or "No Risk". Please see attached Table: Assessment of Disaster Risk of IDP Projects.**

## Assessment of Disaster Risks of IDP Projects

1. Project Reference	2. Project Description	3. Primary & Secondary Stakeholders	4. Risk Rating [Very High Risk: High Risk; Low Risk: No Risk]	5. Risk Reduction (Prevention/Mitigation/Preparedness) Actions Taken	6. Commitments by Disaster Management
Chapter 9, sec 9.1	Aerial Support (Helicopter): To provide for rapid aerial fire and rescue interventions in the Overberg area by placing a multi-purpose helicopter on standby in Bredasdorp from 1 December till 30 April each year.	Overberg Fire & Rescue	This is a mitigation action to prevent fires from turning into disasters and preventing fatalities by having a rescue service available.	Disaster Management endorses the project.	
Chapter 9, sec 9.1	Vehicle Replacement: To replace old and unreliable vehicles with faster rapid intervention vehicles that can respond to a variety of incidents in the entire Overberg area, thus reducing response times to calls.	Overberg Fire & Rescue	A mitigation project to combat fires that occur.	Disaster Management endorses the project.	
Chapter 9, sec 9.1	Family Disaster Preparedness: To prepare families for emergency evacuation and sustainability during disasters.	Overberg Fire & Rescue	A preparedness project to ensure minimum disruption in case of a disaster.	Disaster Management endorses the project.	
Chapter 9, sec 9.1 & 9.2	Roads Department Projects	Roads and Overberg Fire, Rescue & Disaster Management	Standard roads projects posing no risks.		

## 8.2 DISTRICT SECTOR PLAN CHECKLIST

Sector Plan	ODM	Cape Agulhas	Oversstrand	Theewaterskloof	Swellendam
Air Quality Management Plan	Yes	No - to develop own AQMP	No - to develop own AQMP	No - to develop own AQMP	No - to develop own AQMP
Capital Investment Plan - 3 Years	No	Yes - 3 Year Plan	No	Yes	Yes - Plan in place
Coastal Management Programme	In progress -- advertised for SP to develop CMP	No	No	N/A	No

Estuary Management Plan	N/A	No	Yes	Yes	Yes
Finance Management Plan	Yes	Yes	Yes	Yes	Yes - 3 Year Plan (reviewed annually)
Heritage Study	N/A	No	Yes	In process	In process
Housing Plan	N/A	Yes	Yes	Yes	Yes - Province in process of appointing Consultants
Human Settlement Plan (BESP)	N/A			Draft in place	
Integrated Environmental Programme	Approved Environmental Mgt Policy - all additional plans form part of SDF	No	Policy framework & Management Plan (expected completion Oct 13)	Yes	Yes - at District level, applicable locally (unable to develop own Plan; financial constraints)
Integrated HIV/Aids Plan	Yes	No	Yes	Yes	Draft IWP in place
Integrated Transport Plan	ITP adopted 2010 - currently under review	Yes	Yes	To be updated	To be updated
Integrated Waste Management Plan	Draft IWMP in place (2nd phase review underway)	Yes	Yes	Yes	Yes
Land Audit	Yes	No	Yes	Yes	Yes
Liability, Investment and Cash Management Policy	Yes	Yes	Yes	Yes	Yes
Local Economic Development Strategy	LED Strategy adopted 2009 - Province to assist with new Strategy in 2013	Yes	Yes	Yes	Yes
Spatial Development Framework	Draft SDF to be approved in April 2013	Yes	Yes	Yes	Currently under review
Workplace Skills Plan (WSP)	Yes	Yes	Yes	Yes	Yes

## **8.3 SECTOR PRIORITIES / GOVERNMENT INVESTMENT**

The Department of Local Government oversees the integrated planning and budgeting of Provincial Government and Municipalities through the co-ordination of IDP Indaba's. These platforms are created to enable the various spheres of Government to discuss development priorities and projects that will inform the alignment of Municipal IDPs and Provincial Departments' APPs.

### **> IDP Indaba 1**

The IDP Indaba 1/Special MinMayTech, with the theme: "*Strengthening Government Policy Alignment to Accelerate Service Delivery Impact*", was held on 16 August 2012. Indaba 1 focused on strategic planning of the Municipal and Sector Departments.

### **> IDP Indaba 2**

IDP Indaba 2 engagements for the entire Western Cape were held during January and February 2013, with the Overberg District scheduled for 6 February 2013.

Objectives of the IDP Indaba 2:

- a) to obtain and share information on sector projects implemented in Municipalities;
- b) to share Municipal priorities with Sector Departments to inform and guide future Sector Departmental priority setting;
- c) to foster alignment between Municipal and Provincial project implementation as part of intergovernmental planning; and
- d) to present and share information on Municipal financial allocations.

Included are the District's priorities for support from Provincial Sector Departments. In response to these requests, here follows a summary of commitments/agreements presented by respective Sector Departments, at the Indaba 2:

Sector Dept	No. of Agrmnts	Overberg DM	Cape Agulhas	Overstrand	Theewaterskloof	Swellendam
Health						
Education						
Community Safety						
Social Dev						
Cultural Aff & Sport						
Env Aff & Dev Plng						
Econ Aff & Tourism						
Human Sments						
Tpl & Publik Works						
Water Affairs						

Completed table to be reflected in Final IDP

## **8.4 SPATIAL MAPPING**

Provincial Sector Department commitments will be reflected on spatial maps per Local Municipality in the Overberg District and captured in the District Spatial Development Framework (SDF) upon finalisation thereof in April 2013. Should information not be forthcoming upon tabling of the Final IDP to Council in April 2013, the updated information will serve as an amendment to the IDP and tabled to Council (as per section 34(a)(ii) of the Municipal Systems Act). Further reference with regard the District SDF is made in Section 8.1 above.

**Regional Priorities  
for support from  
Sector Departments:**

**Overberg District Municipality**

## DISTRICT MUNICIPAL SECTOR PRIORITIES

Town/Area	Settlement/Suburb	Project Description	What	Priority (High, Med, Low)	Timing/Planning of Project Allocation		Sector Dept/s

Municipality	Town/ Area	Settlement / Suburb	Ward	Project description	INTERVENTION/ PROJECT OR FUNDING REQUIRED (include amount if applicable)	Priority (High, Med, Low)	TIMING/ PHASING OF PROJECT ALLOCATION			SECTOR MENT/S
							2013	2014	2014 / 15 years	
TWK	Villiersdorp	5&6	Multi-purpose/ Thusong Centre	<ul style="list-style-type: none"> <li>• Currently no community hall (Hall burned down during civil strike)</li> <li>• Community has to travel to Worcester or Grabouw for Government services (Home Affairs, SASSA, etc.)</li> <li>• To be utilised for recreational purposes</li> </ul>	High	X	X	X	X	DLG DCAS
TWK	Villiersdorp	6	Upgrade the Gonive Park Sports facility	<p>At the 2011/2012 IDP, upgrading of the Gonive park Sports facility carried out 1st. The funding will also be requested from MIG. This project was already registered with MIG and in principle accepted. Awaiting final appraisal by Province.</p>	High	X	X	X	X	DCAS DLG
TWK	Villiersdorp	5&6	Introduction of Xhosa in schools	<p>Xhosa not taught in schools. Children must travel to Hermanus or Grabouw. Introduce Xhosa as 3rd Language in schools. Villiersdorp has a Large Xhosa community.</p>	High	X	X	X	X	Education
TWK	Villiersdorp	5&6	Upgrade current Clinic	<ul style="list-style-type: none"> <li>• Convert clinic into day hospital</li> <li>• Improve administration and management of facility (waiting hours too long).</li> </ul>	High	X	X	X	X	DOH

WHERE				WHAT		INTERVENTION/ PROJECT OR FUNDING REQUIRED (include amount if applicable)		Priority (High, Med, Low)	TIMING/ PHASING OF PROJECT ALLOCATION			SECTOR DEPARTMENT/S
Municipality	Town/ Area	Settlement / Suburb	Ward	Project description				2013 12/13	2014 /14/15	Outer years		
TWK	Villiersdorp	5	Upgrade ambulance services, especially to rural areas (Vryboom)	Response time delayed. Improve service delivery (Administration and management)	High	X	X	X	X		DOH	
TWK	Villiersdorp	5&6	Land Allocation/Small Farmers	Livestock roaming around in community. Municipality does not have land for small farmers. Alternative land to be sourced	High	X	X	X	X		DOA Dept Public Works	
TWK	Villiersdorp		Waste Water Treatment plant upgrading to ensure quality effluent into the river	Assist with the EIA process	X	X					DEADP	
TWK	Villiersdorp		Enclose Elandskloof Irrigation Channel below informal settlement	Assist the Elandskloof Irrigation board in funding allocation	X	X					DEADP	
TWK	Villiersdorp		Lambrecht Street Culvert - damage due to flooding	Assist with the basic assessment	X	X					DEADP	
TWK	Caledon	Tessel-laarsdal	Develop the Sports Ground	Tesselaarsdal: This town does not have any sport facility at all. At the 2011/2012 IDP the need for a proper sport facility came out 2 <sup>nd</sup> most important. Land availability must be investigated and business plan with budget to be drawn up.	High	X	X				DCAS DLG	

Municipality	Town/ Area	Settlement / Suburb	Ward	Project description	INTERVENTION/ PROJECT OR FUNDING REQUIRED (include amount if applicable)	Priority (High, Med, Low)	TIMING/ PHASING OF PROJECT ALLOCATION				SECTOR DEPART- MENT/S
							2013	2014	2015	Outer years	
TWK	Caledon	Myddleton	3	Develop the Sports Ground	This project was already registered with MIG and in principle accepted. Awaiting final appraisal by Province.	High	X	X	X	DCAS DLG	
TWK	Caledon	Tesselaarsdal		Upgrade the link road between Caledon and Tesselaarsdal	Construct/provide a Library service	High	X	X	X	ODM	
TWK	Caledon	Tesselaarsdal			Tesselaarsdal is 230 Kilometres from Caledon with a population of +2000. There is also a primary school which requested inter alia after-school learning material for projects. A satellite library is a necessity for this community.	High	X	X	X	DCAS DLG	
TWK	Caledon	Myddleton	3&4	Provide a public swimming pool	Provision of a swimming pool is a request that came up in many towns. The experience with Villiersdorp Caravan Park highlighted the huge running cost to maintain a swimming pool together with the legal requirement of having a full-time life-saver on duty. Not a high priority item but costing as well as possible location can be investigated.	Low	X	X	X	DCAS DLG	
TWK	Caledon		3 & 4	Upgrade current Library services	Introduce new books (library full of old books)	Medium	X	X	X	DCAS	

WHERE				WHAT	INTERVENTION / PROJECT OR FUNDING REQUIRED (include amount if applicable)	Priority (High, Med, Low)	TIMING/ PHASING OF PROJECT ALLOCATION			SECTOR DEPARTMENT/S
Municipality	Town/ Area	Settlement /Suburb	Ward	Project description			2012/13	2013 /14	2014 /15	Outer years
TWK	Caledon	Myddleton	3	Introduce baboon control	Baboons are a danger to the community: • Introduce baboon monitors (will also create jobs)	High	X	X	X	DEADP SPCA DLG
TWK	Caledon		3 & 4	Introduction of Xhosa in schools	Xhosa not taught in schools. Children must travel to Hermans or Grabouw. Introduce Xhosa as 3 <sup>rd</sup> Language in schools. Caledon has a big Xhosa community	High	X	X	X	Education
TWK	Caledon	Myddleton	3	Provide Mobile Clinic	• Current clinic is too far. • No public transport available • Mobile clinic visits are not adequate • There should be scheduled mobile clinic visits	High	X	X	X	DCH
TWK	Caledon		3 & 4	Upgrade current clinic facility	• Improve service delivery. • Administration and management of the facility to be addressed • Add a waiting room to the clinic. People must wait outside in the rain and sun.	High	X	X	X	DCH
TWK	Caledon		4	Road Upgrade	Upgrade the Klipheuwel Road (Link between Caledon Traffic Dept. & N2					DT & PW SANRAL

## CHAPTER 9: DISTRICT PROJECTS

District projects for 2013/14, 2014/15, 2015/16 and Outer Years have all been aligned with Government Outcomes and KPIAs:

Government Key Performance Areas (KPIAs)		ODM Strategic Objectives	
KPA 1: Basic Services and Infrastructure		To ensure the health and safety of all in the Overberg District through the provision of efficient basic services and infrastructure in respect of disaster management, municipal health and environmental management.	
KPA 2: Local Economic Development		To promote local economic development by supporting initiatives for the development of a sustainable district economy.	
KPA 3: Municipal Transformation and Institutional Development		To ensure municipal transformation and institutional development by creating a staff structure that would adhere to the principles of employment equity and promote skills development.	
KPA 4: Financial Viability		To attain and maintain financial viability and sustainability by executing accounting services in accordance with National policy and guidelines.	
KPA 5: Good Governance and Community Participation		To assure good governance practices by providing a democratic and pro-active accountable government and ensuring community participation through existing IDP structures.
